HOME OCCUPATION INFORMATION:	
Name of Business:	
Type of Home Occupation: Please give a brief description of the business	

HOME OCCUPATION ACKNOWLEDGEMENTS:	
Initial each requirement below to acknowledge the home occupation complies with these zoning regulations.	
	The home occupation is incidental and subordinate to the principal use of residence of the business owner.
	The business does not occupy more than 25% of the floor area of any single floor/story of the residence.
	Only the residents of the home will be engaged in the home occupation activities.
	All materials and equipment used for the home occupation will be stored within an enclosed structure.
	Any and all signs for the home occupation will be in accordance with the Sign Regulations – Article 8 of the Zoning Regulations.

	The home occupation will not utilize the required front yard for parking, other than existing driveways.
	No equipment that creates a nuisance of noise, odor, emissions or electrical interference; or otherwise interferes with another's personal enjoyment or utilization of their principal residence will be used for the home occupation.

I have read the instructions governing the regulations for a Home Occupation and to the best of my knowledge this application is true and correct. I understand that this permit does not authorize the violation of any other ordinances, rules, and regulations as adopted by the City of Augusta, Kansas.
