City of Augusta, KS Official Notice of Public Hearing

On August 2, 2021, the City of Augusta will hold a public hearing for purposes of taking input on a Waiver of Distance Limitation for Marketplace 67010 located at 601 State Street.

Section 3-102 of the Code of Ordinances prohibits liquor by the drink from being sold within 200 feet of a church, which would apply to catered events inside of Marketplace 67010. The City Council has the ability to waive this distance restriction for catered events after providing public notice, conducting a hearing, and finding that the proximity of the establishment is not adverse to the public welfare or safety.

The public hearing will be held during the City Council meeting on **August 2, 2021 at 7 PM** in the Council Chambers of City Hall, 113 E 6th Avenue. Notice has been sent directly to all properties within a 100-foot radius of 601 State Street.

You may appear at this time either in person or by agent, if you so desire, and be heard on the matter. You may also contact one or both of your Councilmembers to provide your feedback ahead of time if you will not be able to attend. After hearing the views and wishes of all persons interested in this case, the City Council will make a decision on whether or not to grant the Waiver of Distance Limitations.

If you have any questions about the public hearing, please contact the City Manager's Office at 316-775-4510.
