

Diving Board Rules

1. Only one person on the diving board at a time.
2. Check the area in front of the diving board before diving. The person in front of you should be at the ladder before you dive.
3. Only one bounce allowed on the board.
4. Swim immediately to the closest ladder.
5. Do not change the settings on the board.
6. You may not go off the diving board while using floating devices or goggles.
